ABOUT ME

Creative and results-driven graphic designer with proficient web development skills, seeking to leverage expertise in both areas to deliver visually compelling and functional digital solutions. Passionate about combining design principles with technical proficiency to create immersive user experiences and drive business objectives.

EDUCATION

Bachelor of Fine Arts 2007 - 2013

California State Polytechnic University, Pomona

EXPERIENCE

Junior Graphic Designer

IMI Studio 2012-2014 | El Monte CA

- Assist senior designers in creating visual assets for print and digital marketing materials
- Design and produce promotional materials such as brochures, flyers, posters, and social media graphics

Senior Graphic Designer

XLanes LLC 2014 - Current | Los Angeles CA

- Design branding materials, including logos, marketing collateral, and website elements, resulting in enhanced brand recognition and consistency
- Developed integrated marketing campaigns across multiple channels, including print, web, and social media, driving engagement and increasing brand awareness
